

Sibusiso Molimi

Author, Motivational Speaker as well as an Entrepreneur.

Sibusiso grew up just like any other kid in Soweto. Strong to his Faith, by God's grace he was afforded the opportunity to go to boarding school. Growing up in a township, the experience, exposed him to many things. To dream bigger and work harder.

"Your talent will be seen once you are given an opportunity to try out things."

Sibusiso's book, **Work Through the Barriers to Success**, speaks about what he refers to as the five significant barriers preventing our dreams from coming true.

1. Lack of Vision
2. The Enemy Within
3. Negative Opinions from others
4. Victims of Circumstance
5. Being Comfortable

Sibusiso founded Ayeye Consulting in 2015, teaching people to become effective, confident and eloquent public speakers.

Keynote Topics

1. From Idea to Reality

Sharing strategies on how to take an idea and make it a reality as well as ways in which to overcome procrastination
